RICH SCHEELITE FOUND AT M'KAY

REPORTS FROM THE NEW MINERAL COUNTY CAMP SHOW ENCOURAGEMENT

Nick Ableman, one of the owners of the tungsten property at McKay City, came in last night with samples that ran a trifle over 3 per cent scheelite and \$50 in silver. The ledge was opened in the shaft and continued for a depth of ten feet without showing the hanging wall. Ableman believes a cropping some distance down the hillside carries the hanging. Jack Salisbury visited McKay City today.

A. W. TRABERT TAKES A BRIDE AT FALLON

ASSUMES MARTIAL RESPONSIBILITIES ON ENTERING A PROFESSIONAL CAREER

Miss Lyle Rushby, who has been teaching at the Oats Park school at Fallon was married to Archie W. Trabert, of Tonopah last Saturday. Both bride and groom are graduates of the state university.

The groom graduates from the electrical department of the university and developed such rare talent in this calling that he was offered a handsome salary to accept a position in Tonopah, says the Churchill County Eagle. Instead, however, he preferred to take up a two-years' course with the General Electrical company, which has extensive plants in the east one of which employs 17,000 men. With his bride he will go to Schenectady, N. Y., and take the first part of his course, and then spend three months at their plant in Lynn, Massachusetts, taking up different branches of the business in different plants. The salary at the outset is sufficient to support himself and wife.

N. K. FRANKLIN, County Treasurer June 1-5.

MAY BUILD LINE TO MASON VALLEY

BRANCH FROM JUNGO PROPOSED TO FALLON AND YERINGTON

The construction of a branch line of the Western Pacific through Lovelock, is one of the practically assured results to follow the sale of the road the latter part of this month, says the Lovelock Review.

The proposed feeder will leave the main line of the Western Pacific at Junco, pass through Lovelock on its way to Fallon and thence on into the Mason valley. This branch line of the Western Pacific will mean much to Lovelock. It will give the town railroad competition, which it does not now enjoy. This competition will mean lower freight rates, and more accommodations and considerations from the hands of the railroads.

4th OF JULY COMMITTEES TAKE HOLD WITH ENERGY

(Continued from page 1)

The big event of the celebration will be a fifty mile auto race around Mount Oddie with a handicap for all grade machines thus allowing the smaller motors to enter the competition. There may possibly be several races with entrants for the different classes, but that will depend in a large measure on the generosity of the business men in subscribing.

The programme will open on the night of the third with a big boxing contest featuring some of the local favorites against a couple of newcomers who may be relied on to give the fight fans a run for their money. The Fourth proper will be devoted to the games and matters of interest to the grown-ups and on the fifth there will be a big time for the kiddies of both sexes.

All matters will be in the hands of the executive committee consisting of Charles F. Wittenberg, J. G. Crumley, R. J. Highland, Frank Cavanaugh, Nick Ableman, H. D. King, Harry Grier and W. B. Evans.

The second meeting, including all the members of the committees and other citizens, will be held tonight in Grant Crumley's office. The executive committee expects a large crowd and hopes that every citizen who has any ideas or suggestions to offer will attend.

COMSTOCK STRAWBERRIES ENTITLED TO FIRST PLACE

Mrs. Calvert brought to this office today a basket of strawberries grown on the ranch on American Flat, and there is nothing in the strawberry line that we have ever seen, that equal the Comstock product, both as to size and lusciousness. The California strawberry must take a back seat.—Virginia Chronicle.

REPORTS CROPS RUINED

C. M. Carter, weather observer for Smith, Lyon county, in a report to the Reno weather office advises that frosts have ruined the alfalfa crop and nearly all other crops. Brisk and bitterly cold winds have been continual, he advises. Berries, alfalfa and all other early crops are ruined. He says that the alfalfa fields look as if they had been burned out.

FRIDAY WAS A BIG DAY IN STATE LAND OFFICE

Friday was a great big day in the state land office when the receipts amounted to \$55,000. About \$53,000 of this was for final payments on contracts for lands in Washoe, Humboldt and Elko counties by the Union Land and Stock company of Reno, and involves the making of 163 patents, covering over 50,000 acres of land.

THEY ARE HUNTING MAGPIES

The Fallon sportsmen have declared war on the magpie and in a day's hunt bagged 307 of the pests. They are a menace to quails and wild ducks.

MRS. CLAUDE SMITH DIES IN CALIFORNIA

DECEASED WAS WELL KNOWN GOLDFIELD RESIDENT UNTIL THREE YEARS AGO

A telegram was received Saturday morning in Goldfield from San Francisco announcing the death of Mrs. Claude M. Smith, wife of Goldfield's first mining recorder and first postmaster. She had been critically ill for a month before her death. Her sister, Mrs. Charles H. Bacon, resides here and another sister lives with the Bacons. The Claude Smith lived here for several years and had a wide circle of friends. They left here about three years ago and since that time have been living at Paradise, Butte county, California.

Mrs. Smith is supposed to have died in San Francisco, and intestinal trouble, from which she had suffered, is believed to have been the cause. Her home before her marriage, about nine years ago, was at Glenbrook, Nev., on Lake Tahoe, where her people own one of the principal Tahoe resorts.—Goldfield Tribune.

SANDERS' ACTIONS DISGRACE TO BAR

(Continued from Page 1)

many things which passed between her and the defendant.

Objection was made by the defense, and Mrs. Connell was asked if she had had a conversation last evening with Mr. Saunders, the prosecuting attorney. She replied that she had. She was then asked how long a time was consumed in that conversation and she replied, "about two minutes."

She was then asked if during the conversation any reference had been made to her testimony during the afternoon. She replied, "no," and positively repeated that answer to the counsel for the defense. She was then asked by Mr. Saunders if he did not talk to her relative to her testimony, and if he did not criticize the same. In flagrant contradiction of her answers to the counsel for the defense she admitted that he had. Over the objection by the defense she then detailed alleged conversations with Mr. Taber, Mr. McMurtrey and Mr. Castle relative to the attempted killing of Mr. Connell. By these conversations it was endeavored to show that she was counseled by the defendants, and furnished poison to be administered to Mr. Connell.

A torn part of a letter, alleged to be a part of an answer received by Mr. McMurtrey in a reply to a letter written to secure information relative to Mrs. Connell's former husband, was produced by the prosecution and admitted in evidence. This was objected to by the defense on the ground that it had nothing to do with the defendant's case. The objection was overruled. The counsel indulged in hot words over this piece of paper, and the matter was still before the court when the noon recess was taken. During the recess Mr. Saunders, in the absence of the defendant, addressed remarks to the court relative to the paper, and said that he had never encountered such a lot of nincompoops as the attorneys for the defense. Attorneys Currier and Van Fleet replied that Mr. Saunders actions and remarks were a disgrace to any member of the bar, and hot words were exchanged as the counsel left the court room. For a time it looked as though a physical encounter would result.—Elko Independent.

Miss Alice Paul, national chairman of the union will call the convention to order.

R. J. HIGHLAND returned from Reno yesterday.

Did you enjoy the senior class play? Well, come out Tuesday evening and see what the grades can do at entertaining. Admission only 25c. Adv. J511

FANS FOR GOLDFIELD TO WITNESS FIGHT

The Goldfield Athletic club under the management of Gus Rainier will stage a boxing show tonight and quite a crowd of Tonopah sports will undoubtedly motor over to the gold camp this evening.

The main bout of the evening will bring together the two classic middleweights in Nevada when Bob Graham and Goldfield meets Antone Lagrave of Reno and San Francisco. The latter has a record a mile long, having met some of the hardest nuts in the game of give and take. There is a bad feeling between the two boxers and the fans are expecting to see some good old fighting when the pair clash tonight. Both men will weigh in at the ringside at 158 pounds.

The special event will bring together Dick Tounce, the hero of almost 150 battles and Bert Williams a Tonopah lad who has shown a lot of class in his last few fights. This battle should also be a hummer as it will bring together a boxer and a fighter, and as the winner has been promised a main event with the winner of the Lagrave-Graham fight.

George Quigley or Mike Geary will undoubtedly be selected to act as third man in the ring tonight. The first bout will be put on at 8:30 sharp.

WOMAN SUFFRAGISTS START CONVENTION

(By Associated Press.)

CHICAGO, June 5. — A week of woman suffrage activities designed to exert pressure upon the Republican national convention for the adoption in the platform of a plank favorable to universal suffrage will begin here today with the opening in the Blackstone theater of a convention of the congressional union for woman suffrage.

A salient part of the convention program will be a discussion by prominent western women as to how their ballot may be utilized to the best advantage for the suffrage cause. Immediately after this discussion a program designed to obtain the objects of the union will be adopted.

In the morning the various state delegations will register and be assigned places on the convention floor. The lower floor will be used exclusively for the voting women and the balcony will be thrown open to visitors from "unfranchised" states and the general public. The theater has been decorated with the purple, white and gold colors of the union.

Miss Alice Paul, national chairman of the union will call the convention to order.

R. J. HIGHLAND returned from Reno yesterday.
